## **WINDES NAMED AS ONE OF THE “2017 BEST ACCOUNTING FIRMS TO WORK FOR” IN THE COUNTRY**

**LONG BEACH, CA – August 8, 2017** – [Windes](#), a leading California accounting and advisory firm, has been named as one of the *2017 Best Accounting Firms to Work For* in the country by *Accounting Today* and the *Best Companies Group*.

This survey and awards program is designed to identify, recognize, and honor the best employers in the public accounting profession. Recognition is bestowed to the top 100 firms in the country.

Firms from across the United States entered the two-part survey process to determine *Accounting Today's Best Accounting Firms to Work For*. The first part consisted of evaluating each nominated company's workplace policies, practices, philosophy, systems, and demographics. The second part consisted of an employee survey to measure the employee experience. The combined scores determined the top firms and the final ranking. This is the sixth time that Windes has been nationally recognized for its achievements in workplace satisfaction.

“We owe this recognition to everyone at our firm, as they take the extra steps to make our firm's environment enjoyable, positive, supportive, team-

oriented, collaborative, and fun,” says [John Di Carlo](#), managing partner of Windes. “This well-deserved recognition is a direct result of the fantastic team we have here at Windes. This acknowledgement follows the recent 2017 announcement of our awards as the top-ranking accounting firm in both the *Best Places to Work* in Los Angeles County by the *Los Angeles Business Journal* and in Orange County by the *Orange County Business Journal* where we have consistently been recognized year after year. Lastly, we have just been recognized for the seventh consecutive year (since its inception in 2010) as an *Inside Public Accounting Top 200 Firm* in the country.”
