## **WINDES NAMED AS ONE OF THE “2019 BEST ACCOUNTING FIRMS TO WORK FOR” IN THE COUNTRY**

**LONG BEACH, CA – August 15, 2019** – [Windes](#), a leading California accounting and advisory firm, has been named as one of the *2019 Best Accounting Firms to Work For* in the country by *Accounting Today* and the *Best Companies Group*.

This survey and awards program is designed to identify, recognize, and honor the best employers in the public accounting profession. Recognition is bestowed to the top 100 firms in the country.

Firms from across the United States entered the two-part survey process to determine *Accounting Today's Best Accounting Firms to Work For*. The first part consisted of evaluating each nominated company's workplace policies, practices, philosophy, systems, and demographics. The second part consisted of an employee survey to measure the employee experience. The combined scores determined the top firms and the final ranking. This is the sixth time that Windes has been nationally recognized for its achievements in workplace satisfaction.

“I am very pleased with the firm receiving this prestigious recognition,” says [John Di Carlo](#), managing partner of Windes. “First, thank you to everyone at

our firm, as they are the true drivers of making Windes a place where people want to work. We believe that if we take care of each other, this in turn translates to us taking better care of our clients. One of our firm's core values is to value people first. When we do this, good things follow."

This national recognition follows the recent announcement of Windes being named in both the *Best Places to Work* in Los Angeles County by the *Los Angeles Business Journal* and in Orange County, where the firm ranked #3, by the *Orange County Business Journal*.
