IRVINE, CA – July 7, 2021 – [Windes](#), a leading California accounting and advisory firm, has been named as one of the *Best Places to Work in Orange County* by the *Orange County Business Journal (OCBJ)* and Best Companies Group. This is the eleventh consecutive year that Windes has been recognized in the annual survey and awards program which was designed to identify and recognize the best 100 employers in Orange County.

A company assessment, gathering detailed information about the participating company's workplace, is conducted by Best Companies Group. “I'm grateful to work with such a talented and enthusiastic team. Our employees have been unwavering in their commitment to ensure that our clients have a seamless experience, despite the challenges the pandemic has brought

to all of us this past year,” says Managing Partner [Jim Cordova](#). “With the launch of our new advisory lines – cybersecurity, outsourced accounting services, mergers and acquisition strategy, and value acceleration and exit planning, our team has stepped-up their game and enthusiastically embraced a holistic, consultative approach to better serve our clients. With this proactive, advisory mindset, I have seen employees brainstorming and working together to come up with effective solutions and strategies to address our clients’ needs. I believe it has made a tremendous difference in inter-departmental collaboration, employee relationships, and team building.”
