Range of Experience

Sean has more than 20 years of experience in public accounting and is a partner in the firm's Tax department. He also serves on the firm's Board of Directors.

Sean specializes in domestic and international taxation issues of public and private companies, including domestic and international restructuring, consultation on year-end and quarterly income tax provisions, mergers and acquisitions, and US inbound and outbound tax planning. His expertise extends to consultation and preparation of various federal and international tax reports, such as net operating loss studies, accounting method changes, and miscellaneous foreign reporting.

Sean serves high-net-worth individuals and a wide variety of clients in the technology, manufacturing, distribution, restaurant/hospitality, real estate, and transportation industries.

Sean's experience includes working abroad, in London, where he worked at the United States Tax Desk for PricewaterhouseCoopers LLP.
