Range of Experience

Ben McKinney joined Windes in 2017 and is a partner in the firm's Audit & Assurance Services department. His practice focus includes audit and consulting services for entrepreneur-owned and investor-backed private companies and nonprofit organizations.

Ben has extensive experience with privately held companies in various industries, including professional service, manufacturing, distribution, insurance, and construction. Additionally, Ben has expertise with nonprofit organizations such as private foundations, healthcare clinics, educational institutions, and service organizations, including extensive experience with OMB "Uniform Guidance" audits for organizations that receive federal funding.

Education

Bachelor of Science, Business Management, Accounting
California State University, San Marcos
