

FIRM OVERVIEW

OUR SIGNATURE STORY

Since 1926, we have been a trusted business partner to our clients, and have earned our reputation as one of the most respected and socially responsible accounting firms in southern California. Our professionals deliver high-value accounting and consulting services and are committed to our clients and their organizations. The strength of our practice and comprehensive expertise, coupled with our global network, enables us to provide our clients with business solutions focused on their continued success at fees that represent outstanding value. Windes covers a multitude of disciplines with more than 200 professionals within three Southern California offices. Our firm serves over 4,000 businesses and more than 3,900 individuals, including privately held businesses, exempt organizations, qualified retirement plans, and high-net-worth individuals.

"Windes has been flawless in their responsiveness and deliverables, which speaks highly to the fact that as a regional accounting firm, they are able to provide nimble and cost effective services while incorporating an integrated tax planning strategy between my two businesses.

I highly recommend their services to interested parties."
